

INTRO TO PUBLIC SPEAKING (As taught by experts!)

Complete the guided notes about each of the four videos.

Julian Treasure: "How to speak so that people want to listen" (10 minutes)

Video Objective: I can list ways to make the content and delivery of my speaking more effective.

1. What are some of the main points he makes about the **CONTENT** of when we speak?

Avoid:	Do:
1. Gossip	1. Honesty
2. _____	2. Authenticity
3. Negativity	3. Integrity
4. _____	4. _____
5. Excuses	
6. Lying & Exaggeration	
7. Dogmatism (the confusion of facts and _____)	

2. The Speaker's Toolbox:

- Register : We vote for politicians with _____ voices
- Timbre: Research says we want voices that are "rich, smooth, _____"
- Prosody: Avoid being monotonous, overly repetitive, or incorrect questioning tone
- Pace
 - Speed – varying for emphasis
 - Silence – dramatic pausing
 - "Don't need to fill it with 'ums' and 'ahs'"
- Pitch
- Volume

3. Warm up your voice before speaking

- Arms up & sigh down
- Lip warmup: "Ba" and buzz
- Tongue: exaggerated "La" and rolling an R
- "The Siren": We to Aw

4. "What would the world be like if we were speaking _____ to people who were _____ consciously in environments that were actually fit for purpose?"

BIG IDEA: What can you do with your voice to be a better formal AND informal speaker?
